COLLEGE HOSTESS

FRIENDLINESS IS

AN INSPIRATION.

friendliness—FRIENDLINESS,

ugliness to beauty . . .

adolescense to maturity . . .

hate to love . . .

Between these covers is an ever widening world, a world of seasons and learning, of fun and sadness; the world of West Virginia Wesleyan College 1964.

MISS NELLIE WILSON,

a graduate of DePauw University, came to West Virginia Wesleyan College in 1943 as an assistant professor of Religious Education. Today she is our college hostess. She is a warm smile, a friendly handshake. Through her thoughtfulness she has helped Wesleyan students achieve a reputation of friendliness.

TO OUR FRIEND,

MISS NELLIE WILSON,

the beloved member of our college community, we dedicate our 1964 MURMURMONTIS.

ACADEMIC AND CULTURAL LIFE

A TRIBUTE TO JOHN F. KENNEDY

COMFORT A BLACK-EDGED FLAG

Come, Ghost
Comfort a Black-edged Flag
Who mourns a slain Hope.
A Hope, strong, and vigorous
Brave and smiling
Over a mushroom cloud.
So vital and quick.
Yet one man
With deadly power
cheap but costly
Cut a path drawn by six gray horses.
followed by a riderless charger,
a veiled mother,
and a weeping Eagle.

Come, Ghost,
Comfort a Black-edged Flag
Who mourns a slaughtered Dream
A dream, followed by muffled drums
And sabres flashing in the bitter sun
Along the bleak-filled street.
So silently and quick.
Yet one man
With deadly care
and no care at all
Carved a course encased in bronze
Draped with purity, courage, freedom,
tears of fifty Stars,
and the salute of a baby.

Come, Ghost,
Comfort a Black-edged Flag
Who mourns a fallen Leader
A leader, once young with wisdom,
Now ageless as the memory of men
Within an eternal Flame.
So brilliant and quick.
Yet one sound
vivid to all
and all too vivid
Crowned our Cause with immortality,
Our Hope with endless dignity,
Our Dream with lasting Peace.

Come, Ghost,
Comfort a Black-edged Flag
Who mourns.

"Friends, Romans, Countrymen."

"Soulful"

"Take him there—and make him a part of it."

"The Fantasticks" is a lesson in change. A typically rosy and therefore dreary love story, as presented symbolically in the moonlight of the first act, is transformed by the tense drama of the sun in the second act. The leafy-green rendezvous in the forest, the arranged rape, the rose-colored glasses all give way under the pangs of reality, and the Boy and Girl vow to come out of their worlds of fantasy to let the world happen to them.

"Will the Mail Train run Tonight?"

Complete with tinkling piano, the melodrama, "Love Rides The Rails." or "Will the Mail Train Run Tonight?" is a faithful replica of the turn-of-the century play. It comes complete with stereotyped characters, held-up train, and happy ending, and is a welcome relief from the weary sophistication of which the playgoer may find himself a part. No pragmatic rationalizations here. just healthy fun at its funniest.

The story is of an English widow who went to Siam in the early 1800's to act as governess to the innumerable children of a "semi-barbaric Siamese despot," who proves to be her most eager and unruly pupil.

She is the West and he is the East and the result is, "a battle of the sexes. a collision of races, the conflict of ideas, and the spectacle of a king learning to govern from a governess."

THE MURMURMONTIS

A yearbook is a pictorial history of one year in the lives of students, professors, and administrators. For all students it is a memory book; for those who helped to produce it, it is an educational experience; for the college, it is a good-will booster if it is properly prepared.

To produce a good MURMURMONTIS, it takes more than words and ideas—and even talent. But the headaches, the mistakes, and the long hours of work are forgotten when the shiny new books get into the hands of the students. That's when the real joy comes. That is the end and a new beginning.

FRESHMAN WEEK

When Freshmen enter the campus of West Virginia Wesleyan College they find themselves enveloped in a whirlwind of activities which are both frustrating and rewarding.

Some Freshmen find it easier than others to adjust to a new environment. All, however, participate in the program of Freshman Week which is filled with varied activities including a picnic, freshman and all campus mixes, a swim party, and days of testing for aptitude, attitude and intelligence.

FRESHMAN WEEK

An outdoor assembly provides the first college function where the frosh are permitted to wear their coveted beanies. New and returning students and faculty are welcomed.

RECEPTION

An important activity of the week is the Formal Reception Tea where the new students are welcomed by the faculty and staff.

REGISTRATION

Registration, although held near the end of the week, is usually the most memorable part. The many hours spent poring over schedules are culminated in the endless line for the formal enrolling.

In these ways the freshmen become a living part of Wesleyan.

The crowning of the Queen and her court by President Martin marked the official beginning of Homecoming 1963. The many weeks of preparation, expectation, and excitement reached a climax as the Queen and her court began their reign. The teas, receptions and reunions, service projects, decorations and a Hootenanny all contributed to the "Welcome Home" atmosphere of a true homecoming weekend.

Alumni and friends met again and enjoyed together the traditional parade, barbecue, football game and dance planned in their honor. Throughout the entire weekend, friendliness and spirit were the watchwords.

Dear Miss Eddey:

As a freelance photographer it was of special interest to me to be asked to select your Murmurmontis Queen for 1964.

It might be said that beauty is a part of my business, which constantly keeps me on the move, but this is my first experience as a judge of it. Beauty often penetrates the camera, but let me assure you that it is difficult to rely on photographs alone in choosing a queen. I wish that I might have had the opportunity of meeting and talking with all of the girls contesting for the title. I hope that I have done an adequate job.

My warmest congratulations to Alice as your queen and to Judith and Barbara, second and third runners-up.

Most sincerely,

Again this year the Alpha Gams won the Panhellenic Scholarship trophy for the seventh consecutive semester.

The Alpha Gams are especially proud of their twenty new pledges. These girls were honored at the winter pledge formal and again at the spring formal. Senior girls were also honored with a spring picnic.

Greek Week was a huge success for the ADPi's. Ginger McLardy was elected Greek Week Queen. Alpha Delta Pi took first honors in the weekend's sports events. Carol Standing led the ADPi's in "Porgy and Bess," their May Sing selection. Sister Judy Langford was Senior Attendant to the May Queen. Senior ADPi's were bid farewell at the annual Black and White Diamond Formal, given in their honor. And at last the final sorority meeting to be held in the annex was over.

ADPi's are thrilled with their new sorority room. The sisters proudly displayed it at their Homecoming Tea. A scavenger hunt marked the beginning of the ADPi's active social life. A Christmas in November party was held and much needed appliances were given to the kitchen. Mardi gras was the theme of the formal rush party which helped Alpha Delta Pi to gain nineteen new pledges. At Christmas time, pledges and actives caroled for the old people's home and presented each patient with a Christmas stocking. A Christmas slumber party was held in the sorority room. Pledges were honored at their "Pledge Dance" in January. ADPi's are proud of sisters Karen Sorg, Mary Ann Kelly, Carol Boehle and Barbara Burns who are Wesleyan's four girl cheerleaders. At Homecoming, Senior Attendants were Lynne Nelson, Nancy Houston, and Ginger McLardy with Sue Smolenski as Freshman Attendant and Judi Lemon as Junior Attendant, later chosen Theta Chi Sweetheart. The officers of this year are Ginger McLardy, president; Sandra Swingle, vice president; Nancy Houston, secretary; and Betty Bayles, treasurer.

Zeta Tau Alpha Reception

"Make 'em Fall"

"Wow!" It's Christmas Time.

"Actives helping Pledges"

Zeta Tau Alpha, although the youngest sorority on Wesleyan's campus has many and varied activities to its credit.

The first big event of the year was Homecoming, in which we participated with a float and campus tours.

It is a tradition of Zeta to hold a dessert for each of the five fraternities. The first was held in November for Theta Chi, the second for Delta Xi's in January. Following came desserts for Kappa Alpha in March, Theta Xi in April and Phi Sigma Epsilon in May.

Christmas was celebrated by a philanthropic project at the two city hospitals. The group caroled, and generally spread good cheer to the patients.

December 7, the Zeta's held their fall pledge formal, the White Violet Ball. This year's big events were climaxed with the April formal weekend, held at the Coach and Four. The officers for this year are Joan Mowry, president; Janice Myers, vice president; Suzanne Barkley, secretary; and Margaret Klick, treasurer.

Again this year Delta Gamma Chapter of Theta Chi Fraternity was found to be quite active both on Wesleyan's campus and at their beautiful home at 74 College Avenue. The fraternity was well represented on campus by having brothers placed in various offices of college organizations, plus having brothers in the honorary circles and societies. They were also well represented in the participation of varsity athletics by supplying members to every athletic team at the college.

Theta Chi swept the intramural football championship, and for the fifth straight year it captured the volleyball championship. Also, the brothers were rewarded second place trophies for their efforts in the annual Homecoming and Greek Week activities.

Social activities have included open house on weekends, the Winter Dream Girls Formal and the Spring Formal, and parties on big weekends for which combos were provided, and entertainment and favors as remembrances of the gala affair. This year's officers were: Dave Schaffner, president; Leo Vartan, vice president; Charles Stickle, secretary; Thomas Hopper, treasurer. Theta Chi Dream Girl is Judi Lemon. THETA XI

Since the formal initiation of Theta Xi on November 9, 1963, the brothers of Kappa Tau Chapter have made excellent progress in all fields of endeavor.

They won First Place in the May Sing Competition and received the Best Director Award, making it a double victory for the brotherhood. Athletically Theta Xi came back after a defeat to win First Place Softball Competition in the Greek Division and Campus-Independent Rivals. The Theta Xi Guys won two First Place victories in the 'B' and 'C' Leagues in volleyball.

Kappa Tau sponsors a variety of social functions throughout the year in an attempt to provide the members with a well-rounded fraternity social life. Several house parties are scheduled each semester. The Irish Ball is the highlight of the year.

This year's officers are Rick Hopkins, president; Bob Decatur, vice president; Heyward Hamerick, corresponding secretary; James Haine, treasurer. The Sweetheart is Karen Jennings.

"We walk as a group"

This is the fifth year that Phi Kappa Chapter has represented Phi Sigma Epsilon national fraternity on Wesleyan's campus. It has again had an interesting variety of activities. Included in these were sports events, dances, parties, college functions and national fraternity victories.

In the area of athletics, the Phi Sig C team took first place honors. The fall and spring formals were outstanding high spots in a year crowded with house parties. Co-operation with the college in its functions is one of the principles of the fraternity. In Christmas decorations Phi Sig took another first place. In Greek Week field activities third place was achieved.

It was a proud day in the life of the fraternity when Phi Sigma Epsilon was designated summa cum laude in national scholarship competition of the National Inter-Fraternity Conference.

Phi Sigma Epsilon is proud to have Carol Hearn reigning as sweetheart this year. The officers for this year are Richard Roddy, president; Bob Moore, vice president; Dave Goodwin, secretary; Ray Sampson, treasurer. The brothers of Phi Sigma Epsilon reside at 102 East Main Street.

The 1963 football season was one of excitement. The team finished with a record of six wins and three losses. The squad was a young one, consisting of ten seniors, thirteen juniors, ten sophomores, and fifteen freshmen.

The most exciting point of the Bobcats' games was the outstanding play of the defensive unit. The last four games showed only six points scored against Wesleyan, and these on an interception. The play of the defensive unit was instrumental in the homecoming win over Concord, when they scored a safety in the second half to help clinch the game.

The defense is only half of the football team, and the offense wasn't lacking in their play. The ground play was excellent throughout the entire season with good running backs and good passing to keep the opposition on their toes at all times.

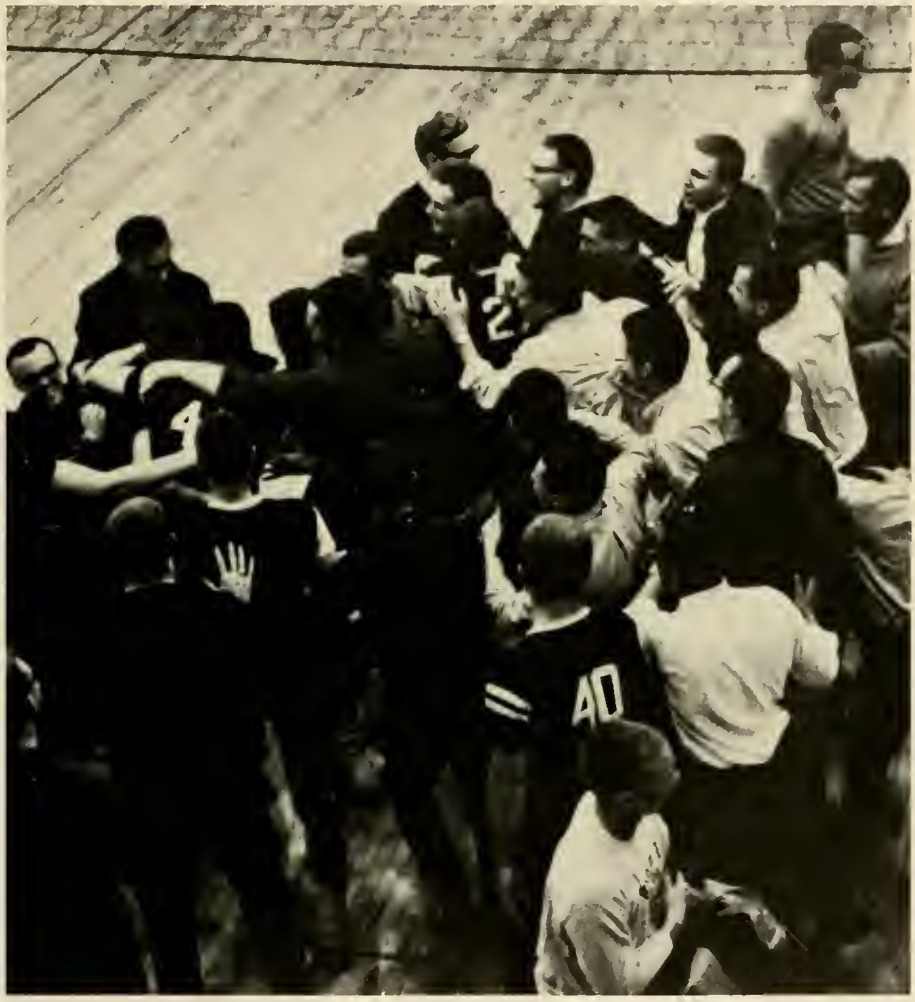
AND SO WE HAVE COME TO PARTICIPATE . . .

IN THE CREATION . . .

AND THE CREATUREHOOD.



And so as the year draws to a close and the seniors leave with diplomas in hand, the yearbook goes to press. We have hoped to record the action, reaction, and interaction of the Wesleyan community during the past year in a meaningful way to all. To produce a good MURMURMONTIS, it takes the workings of many hands and many minds. A special thanks for all the cooperation extended and the long hours of work by the entire staff, Mrs. James Bryant. Mrs. Darrel Bean, Mr. Ronald Richardson, the photographers, who stayed up late many nights developing last minute pictures, the community of Buckhannon, my roommate, who had to live with yearbook pages and pictures all over the room, the unknown amount of people who aided the staff members, and to those that helped the last few days of school, get the book ready for the printers. A special tribute to the seniors and the best of luck to all of you and to Miss Nellie Wilson to whom we have dedicated this book.

THANK YOU
Beth M. Eddey
